View name

☐ **My View**

This view automatically displays all the jobs that the current user has an access to.

☐ **List View**

Shows jobs in a simple list format. You can choose which jobs are to be displayed in which view.

☐ **Nested View**

Group job views into multiple levels instead of one big list of tabs.

☒ **Radiator**

Shows status with high visibility, suitable for display in an extreme feedback system. You can choose which jobs are to be displayed in which view, in the same way as the list view.
